 "I will make my pie,"
said Barb.
She wrote her list
of things to use.

 Barb got fresh peaches.
She cut the peaches
with her sharp knife.

"Bring me nice plums,"
called Barb.
"I will add them
to my pie."

We gave plums
for Barb's pie.
Barb's pie got bigger.

 Barb knows how to make her pie big. She piles sweet cream on top of her pie.

 Barb's pie was high. "It's not quite as high as the sky yet," Barb said with a laugh.

Barb put eight nuts right on top.
"That is how I like my pie,"
Barb said.
