Dee is a small bird.
She plays in the woods.
She went to different parts
of the woods. She got lost.

Dee felt unhappy.
She had no water.
She did not carry much food.
Dee sat down and cried.

Three birds came.
"Did you get lost?"
asked the one old bird.

"Yes," she answered.
"I am lost,
and my bottle is dry."

The birds took Dee
to a cold stream.
The birds refilled her bottle
and gave her bread.

Those birds helped Dee
find her way home.
"You are kind," said Dee's mom.

The three birds smiled.
"We are kind.
We do not mind."
